Report of Principal and School Improvement Council

Berkeley Middle School (BMS) is a large, diverse middle school comprised of approximately 1,160 students. The staff has continued their efforts in creating a school environment in which students are challenged and valued as individuals in order to achieve their full potential.

This year, BMS implemented the ACE Single Gender Academy, benchmark assessments and analyses in the core, a mentor program, data notebooks, etc. We continue these efforts working under MMGW Framework. At BMS, the MMGW initiative is working!

We continued activities such as clubs, Renaissance, Accelerated Reader (AR) Incentive Program, and awards ceremonies. In fact, our AR Program went web-based this year. Our teachers eagerly demonstrate commitment to professional growth and leadership, as they have been asked to present at several conferences this year, including district and state-level staff development opportunities.

Additionally, we have worked on bridging the gap between middle school and high school through many collaborative efforts. We want to ensure a smooth transition for students, and we want to make sure students are prepared for school beyond middle school. Students are showing their Berkeley pride in their participation in QUEST, Spelling Bee, and Robotics competitions.

We also have many students participating in All County Chorus, Band, and Strings as well as All Region Fine Arts. We continue to offer a challenging curricula with high school credit courses: Algebra I, English I, Spanish I, French I, and Keyboarding/Computer Applications. The new ASSIST Lab has also been very beneficial for students who need remediation on specific standards throughout the school year. This lab is just another way to demonstrate the belief that all students matter all of the time because failure is not an option!
